

**MNAMAADZAWIN FITNESS CENTRE -
ACTIVE LIVING STUDIO**
Wiikwemkoong Unceded Territory

Tuesday March 17, 2020

Dear Valued Members,

Aanii; since the beginning of the COVID-19 outbreak, we have been carefully monitoring the progression of the virus and closely following the advice of Canada's public health authorities. We have followed their recommendations and have implemented numerous changes in the Active Living Studios to focus on our highest priority—the health and safety of our members.

As the virus continues to spread in communities across Canada, and with Canada's Chief Public Health Officer raising the public risk to 'serious,' we are seeing the need for increasingly bold action to reduce the transmission.

I am writing to you to personally inform you that we have made the difficult but important decision to suspend activity in the Active Living Studios effective immediately.

We know that exercise is extremely important to an individual's physical and mental health. We do recommend that you continue to do physical activity at home.

A letter was sent out by Chief and Council and hope to re-open our doors on April 6, 2020. We apologize for this inconvenience but with the COVID-19 outbreak we are taking all precautions necessary. We thank you for your patience.

All member payments are being suspended as of Tuesday March 17 and any paid current paid memberships will be put on freeze until further notice and expiry dates will be extended accordingly.

We look forward to reopening our doors as soon as possible and welcoming everyone back.

In the meantime, take care of yourself and each other.

Yours in Health and Fitness,

Kevin Wassegijig
Director of Operations
