

Wiikwemkoong Prevention Services

Prevention staff will contact clients and community partners through telephone and email exchange for all inquiries to eliminate direct contact and prevent the spread of COVID-19.

Clients will be asked the following screening questions:

1. Have you or anyone in your household been diagnosed or presumed to have COVID-19?
2. Do you or anyone in your household have a fever, recent cough or difficulty breathing?
3. Has anyone in the household travelled recently? If so, where
4. FSW workers will work together for case by case wellness plan.

On-going community links received from Kina Gbezhgomi will be attended by the Family Support Team by telephone for urgent child welfare matters with the Band Representative Team.

Food Bank

All clients are advised to call in for Food Bank requests at the Community Support office with Debbie Mishibijima, extension 237.

Should families require supplies while being home bound – Prevention Services will take telephone inquiries. Food Bank client's information is by telephone only and items are picked by the side door at the Family Centre.

The side door has poster on the door to ensure the screening occurs at the entrance.

Program Events

Program events have been postponed as received from Wiikwemkoong Chief and Council directive until Pandemic has been lifted for Prevention Services programming and events.

However, Community Support staff will utilize the technology with live demonstrations with programs that have been scheduled by Wiikwemkoong TV 5 – community channel. Example soup making or DIY hand sanitizer.
