

Message to our valued customers of Wiikwemkoong,

It is with a heavy heart, the management of Andy's Shell & Groceries has come to an agreement that a need to change operation hours come to effect. This is to ensure the health and safety of Wiikwemkoong is kept top priority during this COVID-19 Pandemic.

**Effective MONDAY MARCH 23,2020, Andy's Store hours will be 9am to 5pm until further notice.**

**- Monday to Saturday 9am to 5pm**

**- Sunday/Holidays 12 to 6pm**

This is to ensure we keep the corona virus low at risk in our community, and to ensure our staff and community members are kept safe during these times. This gives us time to thoroughly clean and disinfect our store for your protection.

We strongly encourage all community members to dedicate the first hour of opening (9am to 10am) to the elderly and those with mobile disabilities available to shop.

Our inventory will be restocked as scheduled, and will be sharing any news of toilet paper deliveries and other home care products. These are extremely in high demand right now and we are doing everything we can do make sure we get those orders and deliveries in.

So again, we want to inform you on our new time changes. We thank everyone for your continued support and cooperation during these times.

Also we'd like to remind everyone to keep their social distancing committed and limit visiting times while shopping.

We appreciate your business!

**Grocery, Lotto, Coffee Shop & Gas Bar 9am to 5pm**

**Source, Gm, Garage & Hardware 12-5pm**

**Hotmeals will host extended lunches**

Miigwetch, please stay safe!

Management
